## **Oregon Buttermilk Pancakes**

2 1/2 cups flour

2 T baking Soda

1 T salt

2 cups sour cream

4 t vanilla

1/4 cup sugar

2 T baking powder

2 cups buttermilk

2 large eggs

3 T unsalted butter melted

Whisk first five ingredients together; whisk buttermilk, sour cream, eggs, and vanilla in another large bowl. Add dry ingredients and stir until just blended but still lumpy. Do not overmix or pancakes will be tough.

Cook over medium heat on a slightly greased skillet. Makes enough for twenty.

Serve with warm blueberry or apple compote, or syrups of your choice.
